INDEPENDENT AUDITOR'S REPORT

The Board of Directors of
Wolfe & Hurst Bond Brokers, Inc.

We have audited the accompanying statement of financial condition of Wolfe & Hurst Bond Brokers, Inc. as of June 30, 2009 (the Company) and the related statements of income, cash flows, changes in shareholders' equity, and changes in liabilities subordinated to claims of creditors for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based upon our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis of designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Wolfe & Hurst Bond Brokers, Inc. as of June 30, 2009, and the results of its operations and cash flows, changes in shareholders' equity, and changes in liabilities subordinated to claims of creditors for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules 1, 2 and 3 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities and Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

WOLFE & HURST BOND BROKERS, INC.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2009

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Business

Wolfe & Hurst Bond Brokers, Inc. (the "Company") is a registered broker dealer engaged in the execution of bond transactions for other broker-dealers and dealer-banks as a broker's broker. The Company does not position bonds nor does it deal with the public. The initial municipal division was founded in 1977. The Company has its headquarters in New Jersey and branch offices in other states and transacts business throughout the United States.

Revenue Recognition

Commission revenues are recorded on a settlement-date basis, generally, the third business day after trade date. There is no material difference between the trade and settlement dates.

Securities Transactions

Receivables (Fail to Deliver) from and payables (Fail to Receive) to brokers, dealers, and clearing organization represent the contract value of securities which have not been delivered or received by settlement date. Clearing house receivable is recorded on a settlement-date basis.

Cash and Cash Equivalents

Cash equivalents consist of highly liquid, short-term investments with maturities of 90 days or less.

Property and Equipment

Property and equipment is stated at cost and includes expenditures which substantially increase the useful lives of existing property and equipment. Maintenance, repairs and minor renewals are expensed as incurred. When property or equipment is disposed, the related cost and accumulated depreciation is removed from the respective accounts and any gain or loss is reflected in income. Depreciation and amortization are calculated by the use of accelerated method over the estimated useful lives of the assets. The difference between depreciation for financial statement purposes and tax accounting purposes is not material.

Income Taxes

The Company accounts for income taxes in accordance with Statement of Financial Accounting Standards No. 109, "Accounting for Income Taxes." Under the asset and liability method of Statement 109, deferred tax assets and liabilities are recognized for the estimated future tax consequences attributable to temporary differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax basis. There is no temporary difference between income tax basis and financial statement basis and accordingly there is no deferred income tax asset or liability. The Company files a consolidated income tax return with its parent, Wolfe & Hurst, Inc.

WOLFE & HURST BOND BROKERS, INC.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2009

(Continued)

On December 30, 2008, the Financial Accounting Standards Board voted on and adopted FSP FIN 48-3, ("Effective Date of FASB Interpretation No. 48 for Certain Nonpublic Entities"). FSP FIN 48.3 defers the effective date of FIN 48 for nonpublic enterprises to the annual financial statements for fiscal years that begin after December 15, 2008. This interpretation requires entities to disclose any uncertain tax positions carried on its books for which it may not be sustained upon examination by taxing authorities. In accordance with the guidelines listed above, the Company has elected to delay adoption of FIN 48 and furthermore, management feels that it will not have a significant impact on the Company or its financial statements when adopted.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Impairment of Long-lived Assets

The Company investigates potential impairments of its long-lived assets on an exception basis when evidence exists that events or changes in circumstances may have made recovery of an asset's carrying value unlikely. An impairment loss is recognized when the sum of the expected undiscounted future net cash flows is less than the carrying amount of the asset. No such losses have been identified.

NOTE 2 SPECIAL BANK ACCOUNT

Wolfe & Hurst Bond Brokers, Inc. maintains a deposit of \$100 to meet Securities and Exchange Commission's regulation 15c3-3. The Company does not carry nor does it contemplate having any customer accounts.

NOTE 3 GOOD FAITH DEPOSIT

For the year ended June 30, 2009, Good Faith Deposits in the amount of \$395,000 are maintained with the National Securities Clearing Corporation, Depository Trust Company, and the Bank of New York Company, Inc. These companies clear all transactions for the Company. The accounts are not subject to restrictions on withdrawal.

NOTE 4 SECURITIES CLEARANCE PROCEDURE

All transactions of Wolfe & Hurst Bond Brokers, Inc. are cleared by the Bank of New York Company, Inc., the National Securities Clearing Corp., or Depository Trust Company, in accordance with the regulations of FINRA.

	230,009
Less accumulated depreciation and amortization	<u>229,176</u>
Total	<u>\$ 833</u>

Depreciation and amortization expense for the year ended June 30, 2009 was \$278.

NOTE 6 LEASE COMMITMENTS

Minimum rental commitments under all non-cancelable operating leases, primarily leases for real estate, in effect at June 30, 2009 were:

<u>Fiscal Year Ending June 30</u>	<u>Amount</u>
2009	\$ 252,117
2010	246,417
2011	225,982
2012	190,031
2013 and beyond	<u>0</u>
Total Minimum Payments	<u>\$ 914,547</u>

The total rental expense for operating leases for the fiscal year ended June 30, 2009 was \$304,813.

NOTE 7 RELATED PARTY TRANSACTIONS

Loan Subordination

Pursuant to the Securities and Exchange Commission, the following related parties have subordinated loans to the Company:

<u>Name</u>	<u>Principle</u>	<u>Maturity Date</u>

Total	<u>\$580,955</u>	

WOLFE & HURST BOND BROKERS, INC.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2009

(Continued)

The Company is a wholly owned subsidiary of Wolfe & Hurst, Inc. Wolfe & Hurst, Inc. is 50% each owned by Gerard J. Wolfe, CEO of the Company and O. Gene Hurst, President of the Company. Vincenta Wolfe is the wife of Gerard J. Wolfe. These loans are unsecured. Loans of \$200,000 were deposited in a bank as a collateral per the agreement with the clearing houses and the interest earned in the bank in the amount of \$32,580 is payable to the related parties as of June 30, 2009.

The Company has owed \$245,218 to Wolfe & Hurst, Inc. since 1987. The loan does not accrue any interest. The loan is unsecured and has no maturity date.

NOTE 8 NET CAPITAL REQUIREMENTS

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. At June 30, 2009, the Company had net capital and net capital requirements of \$2,124,476 and \$100,000, respectively. The Company's net capital ratio (aggregate indebtedness to net capital) was 0.07 to 1. According to Rule 15c3-1, the Company's net capital ratio shall not exceed 15 to 1.

NOTE 9 SAVINGS PLAN

The Company has a voluntary 401(k) Savings Plan. Investments in the plan are made by the employees. All fees are also paid directly by the employees. The Company does not contribute to the Plan.

NOTE 10 FINANCIAL INSTRUMENTS WITH OFF-BALANCE SHEET RISK, CONTINGENCIES AND UNCERTAINTIES

In the normal course of business, the Company is involved in activities related to securities transactions with commercial banks and other brokers and dealers. These activities may expose the Company to off-balance sheet risk. In the event the counterparty fails to satisfy its obligations, the Company may be required to purchase or sell financial instruments at prevailing market prices in order to fulfill the counterparty's obligations.

The Company's financial instruments, including cash, receivables, prepaid assets, deposits, payables and other liabilities are carried at amounts that approximate fair value due to the short-term nature of those instruments.

The Company has deposits in banks in excess of the FDIC insured amount of \$250,000. At June 30, 2009, the Company had approximately \$350,000 in excess of this requirement which is subject to loss should the bank cease operations.

The Company has a deposit and receivables from its clearing broker as shown on the accompanying statement of financial condition. These amounts are subject to loss should the broker dealers or clearing organization cease business.

During fiscal 2006, the Company was informed by the staff of the Securities and Exchange Commission (SEC) that the staff was conducting an informal inquiry relating to "bid wanted" practices. "Bid wanted" is an industry practice used by broker dealers and broker's broker to prevent errors and mistakes in pricing obligations. The Securities and Exchange Commission closed their investigation on May 13, 2009. A fine was paid and all representatives named were issued "Live Well" letters. Accordingly, there has been no accrual of amounts other than attorney's fees.

INDEPENDENT AUDITORS' REPORT ON
INTERNAL ACCOUNTING CONTROL REQUIRED BY SEC RULE 17a-5

The Board of Directors of
Wolfe & Hurst Bond Brokers, Inc.

In planning and performing our audit of the financial statements and supplementary information of Wolfe & Hurst Bond Brokers, Inc. (the "Company") as of and for the year ended June 30, 2009, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. We did not review the practices and procedures followed by the Company in making the quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by Rule 17a-13 or complying with the requirements for prompt payment for securities under section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System, because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate. This report recognizes that it is not practicable in an organization the size of the Company to achieve all the divisions of duties and cross-checks generally included in a system of internal accounting control and that alternatively greater reliance must be placed on surveillance by management.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A *material weakness* is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures as described in the second paragraph of this report, were adequate at June 30, 2009, to meet the SEC's objectives.

In addition, our review indicated that the Company was in compliance with the conditions of exemption from Rule 15c3-3 pursuant to paragraph (k)(1) as of June 30, 2009, and no facts came to our attention to indicate that such conditions had not been complied with during the year.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the Financial Industry Regulatory Authority, Inc., and other regulatory agencies that rely on Rule 17z-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
